Chapter 31 To 35

Chapter 31

Zhou Manchun saw her enter the ward of Shi Botao. Then, there was a cry in the ward. Zhou Manchun felt strange and went into the ward to have a look.

"What happened?" Zhou Manchun pushed open the door and asked in a fog.

I saw a lady in her early 40s sitting beside the hospital bed, holding a handkerchief in one hand and sobbing in the other hand. Her makeup was very delicate, her skin was white and elastic, her body was well maintained, and there was no sign of obesity.

"Doctor Zhou, let you see the joke. This is my sister who just flew back from America." As he comforted Huixi, he explained to Zhou Manchun.

Shi Huixi looked up at Zhou Manchun and said politely, "Hello, Dr. Zhou. I heard that this time you operated on my brother. Thank you."

Zhou Manchun is flattered. If she doesn't make a mistake, the person in front of her should be Jin Beisen's mother. She looks very gentle. Her words and deeds reveal the demeanor of a great girl. She doesn't have any abnormal appearance of Jin Beisen. Zhou Manchun thinks that Jin Beisen may have changed.

"This lady, you really don't need to thank me. It's our doctor's duty to help the dead and the wounded. I should. Since I'm ok, I'll go first. I heard the cry, but I thought what happened." Zhou Manchun smiled gracefully and quit the ward.

After work, Zhou Manchun went to Venice restaurant. When she got there, it was half past five.

The setting sun is warm, and the golden light shines on the earth. Zhou Manchun stands in front of the restaurant and appreciates the beauty, but he is filled with emotion.

After passing a spectacular stone bridge, Zhou Manchun sat on the boat. "Venice restaurant" is a restaurant with a very high style. Guests who come here for dinner must enter the restaurant by boat.

The sunlight sprinkles on the water, overflows the innumerable spot light, lets the human be infatuated with.

"Hello, Miss Zhou. President Jin is waiting for you." As soon as he entered the door, the waiter said warmly.

Zhou Manchun is strange. How does the waiter know that he is Zhou Manchun? She looked around, and there was no one in the huge restaurant. Did Jin Beisen charter?

"It's money to pervert." Zhou man muttered in a low voice.

In the middle of the restaurant, Jin Beisen was dressed in a white shirt. Sitting there, a gentleman saw Zhou Manchun coming and smiled at her.

This is definitely Zhou Manchun's nightmare. Zhou Manchun has gone away with a headache and is more sure about Jin Beisen's appointment.

"Here we are." Jin Beisen's eyes and eyebrows were dimly smiling.

Zhou Manchun sat down in the opposite side of Jin Beisen, put down his bag, and looked at Jin Beisen silently.

"What would you like to eat? Order it yourself." Jin Beisen took the menu and handed it to Zhou Manchun.

While browsing the menu, Zhou Manchun thought, we must choose the most expensive point. Anyway, we don't want to eat white, but we can't order wine. Who let her drink badly? Zhou Manchun felt that it was necessary to practice his own drink well.

"Cough, that's all." Zhou Manchun carelessly takes a pen to draw a circle on the menu, but in his heart he thinks, Jin Beisen, I will kill you, and my mother can eat it!

as like as two peas, he asked the waiter, but he didn't see what Zhou man had ordered, he said just to the waiter.

Zhou Chun Chun as like as two peas in the mouth, "you didn't see what I ordered, just the same."

"You're my wife. I'll eat whatever you eat." Jin Beisen said happily.

"President Jin, please pay attention to your words. Who is your wife? Have I ever admitted it?" Zhou Manchun thought Jin Beisen's words were ridiculous and shameless.

"Do you admit that you slept with me?" Jin Beisen stared at Zhou Manchun, with a rare softness in his eyes.

Shit! Zhou Manchun scolded in his heart.

"Ha ha." Zhou Manchun sneered.

The atmosphere suddenly became awkward. Naturally, Zhou Manchun had nothing to say to Jin Beisen. She was not interested in knowing what medicine he sold in the gourd.

At the same time, the waiter came over with the dish, and Zhou Manchun took back his sight, with a grim face.

They ate in silence. Jin Beisen was in a good mood. It was a special pleasure to bully Zhou Manchun.

"Jin Beisen Did your mother come to the hospital today?" Zhou Manchun hesitated.

Jin Beisen's hand to cut the steak stopped suddenly, thinking, damn it, he came back so soon.

Shi Huiqian and Shi Botao had a good relationship since childhood. Shi Huiqian especially relied on this brother. She believed him very much. No matter how Jin Beisen said bad things about Shi Botao, Shi Huiqian would not listen. Jin Beisen hated Shi Botao even more for a long time. This time, she managed to find an excuse to cheat her mother out of the country. Unexpectedly, she came back so soon.

"Probably." Jin Beisen glanced at Zhou Manchun with a slightly unpleasant tone.

"Oh? Don't you know?" Zhou Manchun asked with great interest, wondering what deep hatred existed between Jin Beisen and Shi Botao?

"Eat as you like. Don't talk so much. Ask again when you are really my wife." Jin Beisen said seriously, then picked up the red wine cup and put it on

his lips for a drink.

He seems angry!

Zhou Manchun frowned, and Jin Beisen pushed him back. Well, if you don't ask, you don't ask. I'm curious about killing the cat.

On summer nights, the warm wind is slow.

They are sitting in a small boat together to go back. The sparkling water is not what Zhou Manchun looked like when he came, but Zhou Manchun feels that the scenery is more beautiful at the moment.

Jin Beisen is silent. The moonlight is scattered on his body sparsely. In his hair, Jin Beisen's eyes are lowered. Zhou Manchun feels that his body is covered with a sad smell. What's the secret of this man? Why does he bother himself? He has a better choice.

Zhou Manchun believes that there must be a lot of women around Jin Beisen. In the future, who became his wife will be pitiful.

Outside the happy community.

The light in the car is dim. Zhou Manchun unbuckles his seat belt and is getting ready to get off.

On the way, Jin Beisen seems to have changed his personality suddenly. He didn't joke with her or flirt with her. Instead, Zhou Manchun feels embarrassed. It's time to get off. Would you like to have a word with him? Zhou Manchun hesitates.

"That Thank you for inviting me to dinner. " Zhou Manchun finally said.

Jin Beisen looked at her indifferently, without any expression on his face.
"Don't thank you."

Zhou manchunnu nuzui, bent and jumped out of the car. This meal is obviously a waste of money. The most important things are not discussed. Is Jin Beisen trying to kill her? After all, her father is still in custody.

There was a whistling sound of the car passing by. Looking around, the black Lamborghini had disappeared in the corner.

Chapter 33

Jin family villa.

Jin Beisen received his mother's call on his way back to the apartment. He had to hurry home.

After taking over JS international, Jin Beisen moved out of the villa. He lived alone in an apartment of more than 300 square meters. Jin Beisen liked to be quiet, while Shi Huiqian was like a little girl. Every day, she chirped in Jin Beisen's ear. Jin Beisen felt bored and went out alone.

The servants stood in two rows and waited by the fountain for Jin Beisen's arrival.

Jin Beisen stopped the car at will, jumped out of the car and went straight to Jin's living room.

In the resplendent living room, a huge crystal lamp dazzles and confuses. The walls around it are covered with the famous paintings of the 18th century in Europe. Each one is a masterpiece. On the precious leather sofa, a lady with ruddy complexion and plump figure smiles. Beside her, there is a tall and

dignified middle-aged man who is holding a small one in his hand Walnuts and a pair of delicate and small pliers are just like peeling small walnuts.

Jin Beisen picked up his eyebrows and saw that the plate on the tea table was full of small walnuts. It was about to be full. It seemed that his father had peeled the small walnuts for his mother for two hours!

"Dad, mom." Jin Beisen put on a signboard smile and walked towards the two "old people" with a warm face.

"Beisen, mom, baby, you're back at last." Shi Huixi jumped up from the sofa and saw Jin Beisen coming back, her eyes would glow.

"Haha, mom asked Dad to peel walnuts for you again." Jin Beisen's face is a monster's smile. She's an old mother. She's absolutely true to her girlish heart, but she's very smart. She pretends to be crazy with you and is actually smarter than anyone else. Otherwise, how can she win Jin Jiahe.

"Yes, he did something wrong. I'm punishing him." Shi Huiqian said with a brilliant smile and a sly glance. Jin Jiahe wanted to cry at the moment.

No one could have imagined that Jin Jiahe, who was a fierce and vigorous man, was a wife slave!

Jin Beisen was used to his mother bullying his father when he was young, so he was determined to become a man who could not be bullied by women in the future. Jin Beisen deeply sympathized with his father and gave him a look of sympathy.

"Mom, what's the matter with you calling me home in such a hurry?" Jin Beisen goes straight to the theme, because the picture of Jin Jiahe peeling walnuts to Shi Huixi is so beautiful, and the view of Jin Beisen is very

intolerable.

"Of course, why didn't you tell me about your uncle's hospitalization when I was traveling to America some time ago?" Huixi put away her warm smile, and her face suddenly showed some dignity.

Shi Huixi's ability to switch between the little white rabbit and the big gray wolf at will is estimated that no one is better than her. Jin Jiahe once felt that he was blind at the beginning and had so many white rich and beautiful pursuers for him. He just didn't want to marry such a unruly and willful woman to go home. It's true that he can't live for his own sin!

"My mother, my uncle didn't want me to tell you. I also want to tell you that my uncle said he was OK and didn't want you to worry." Jin Beisen smiled attentively. He knew that Shi Botao would not say a bad word about him in front of Shi Huixi, so he could speak freely.

"But how can such an important thing be concealed from me? You also know that your uncle is not in good health. What should happen?" Asked swissy very seriously.

Chapter 34

"No, uncle Ji has his own destiny. Didn't he survive this time?" Jin Beisen said with a sweet mouth that he knew his mother would like to hear this.

Sure enough, Huixi's face softened a little. "Beisen, I have called Mingge back. Your uncle is seriously ill, and the company's position will be vacant. I plan to let Mingge replace your uncle and become the general manager of JS international."

"well, everything has the final say." Jin Beisen replied respectfully, but he was not happy.

Shi Mingge, the only son of Shi Botao, has been working against Jin Beisen since childhood. Now he is studying for a master's degree in economics and finance in the United States. Xu Feiyan, the wife of Shi Botao, also accompanies his son in the United States. This time, he comes back together.

"When your cousin enters the company, you can help him a lot. He has no experience, you know?" She said, frowning.

"That's necessary, mom. We're a family." Jin Beisen laughed, but he didn't laugh. He hated to break up Shi Botao.

When Shihui heard her son say that, she was more relieved. She stopped letting Jin Jiahe peel walnuts and ate them happily.

Jin Jiahe breathed a sigh of relief and then said to Jin Beisen, "Beisen, come to my study with me. There is something wrong with one of the documents."

Jin Beisen was not a fool. Of course, he understood Jin Jiahe's meaning. He quickly nodded and said, "OK."

In the study, there was a light sandalwood. Jin Beisen lit a cigarette for the old man. The father and son sat on the sofa and smoked freely.

"Dad, I wronged you tonight." Jin Beisen looks at Jin Jiahe's hands, which are slightly red.

"It's OK that I'm wronged. I let the old man take advantage of it. It's disgusting." Jin Jiahe said with a fierce face.

"Yeah, it's hard to let that old guy have a heart attack. I didn't expect his life

to be so hard." Jin Beisen took a smoke and puffed it up.

However, Zhou Manchun is the great hero who saved Shi Botao this time. This woman is really a disaster. Jin Beisen's thoughts are far away, and he even thinks of Zhou Manchun.

"Beisen, in fact, your mother doesn't have no idea about what he did in the company. It's just that your grandparents left early. Your mother's family has only such a relative. She was brought up by shibotao since she was a child. After all, it's still there, so you should be more considerate to her." Jin Jiahe suddenly said seriously that Shi Huixi looked like an ignorant girl on the surface, in fact, she knew everything.

This is also the smart place of swissy. She knows it but doesn't say it. She attaches great importance to family affection, and she is the only brother of her. Naturally, this position can't be shaken.

Jin Beisen nodded, took a big smoke and asked, "what's our plan? Stop? "

"Stop first, I'm afraid your mother will be sad." Jin Jiahe is afraid of his wife's tears even if he is cruel.

To put it bluntly, Jin Jiahe is a wife slave.

"Dad, I don't want to be a man like you. I should be stronger in front of women." Jin Beisen shook his head and sighed, because being a wife slave is so pitiful.

Jin Jiahe smiled helplessly. All the emotions he wanted to express were hidden in his smile. He asked, "listen to your voice, do you have the object of your heart?"

It seems that Jin Beisen's mind has been told and put on. A embarrassed smile appears on Jin Beisen's face and says, "not yet. It's going to be a long time."

"OK, if you have a girl you like, show it to Dad. Dad will definitely support you." Jin Jiahe said it was very sage.

Jin Jiahe knows that Jin Beisen's past, that fruitless feeling is the most painful place in Jin Beisen's heart, so he and Shi Huiqian have always supported Jin Beisen's free love. They don't need to rely on commercial marriage to grow their own industry, but after losing his first love, Jin Beisen never had a girlfriend.

With such saintly parents, Jin Beisen feels very proud. Their business is very big, but his parents never ask him about his feelings. Jin Jiahe and Shi Huixi are free to fall in love, so they hope that Jin Beisen can also find their own real happiness. They don't have high requirements for their future daughter-in-law, as long as they really love Jin Beisen, that's enough.

Jiaru hospital.

Zhou Manchun is so busy that she hasn't looked at her cell phone all morning. She didn't see Zhao Tianyu's message until noon.

I'll see you at zero bar at 8 o'clock tonight. Can your father come out and watch you tonight.

"Hateful." Zhou Manchun clenched his fist and smashed it on his desk. His clear face seemed to be burning with rage.

Yang Yiming, who was just about to enter the door, was shocked to see Zhou

Manchun's fierce scene. Zhou Manchun has been in the hospital for so long, and he saw Zhou Manchun for the first time.

"Doctor Zhou, what happened?" Yang Yiming put down a pile of documents and came to Zhou Manchun with a gentle manner.

Zhou Manchun stroked the hair before his forehead, picked up his mood of a little violent walk, smiled and said: "Dr. Yang, I'm ok. I saw someone send me a spam message just now."

"Well, don't worry about that. Just delete it and have a meal together?" Yang Yiming cleverly changed the topic. He was very fond of Zhou Manchun, who was the most beautiful girl he had ever met.

"All right." Zhou Manchun readily agreed, but his heart was always in a mess.

Zero bar.

Zhou Manchun is in a casual dress, standing outside the bar with some embarrassment. What's in front of her is a lot of lights and wine. Zhou Manchun hesitates. Tonight, what's the meeting for her?

With courage, Zhou Manchun stepped into the zero bar with her bag on her back.

The sound of the music suddenly came into the eardrum, stimulating every nerve in her body. There were young men and women everywhere on the card seat. Looking at the scene of extravagance, Zhou Manchun only felt a little desperate.

Those people laugh, drunk, is really happy?

"Baby, you're here." A strong force suddenly took Zhou Manchun into his arms, warm arms, familiar taste

"You let me go." Zhou Manchun frowned slightly, and got a little angry on her long and dense eyelashes.

"What? Hate me so much now? I used to call you baby, didn't I? Three years, you're not used to it?" Zhao Tianyu sneers. At the moment when he holds Zhou Manchun, he knows who he thinks about day and night. He doesn't love Liu Tingting at all. He may be able to cheat others, but he can't cheat himself.

Maybe Zhou Tinghao is wrong, but what's wrong with Zhou Manchun? Zhao Tianyu hates Zhou Tinghao. Zhou Manchun is innocent.

"Zhao Tianyu, please respect yourself. When I come to my appointment tonight, I hope you can explain things to me clearly. My father treats you well. Why do you do this to us?" Zhou Manchun turned around, and the beautiful eyes rolled over Zhao Tianyu. Thinking of the situation in his apartment that day, the eyes automatically darkened

no matter how much they loved each other, they are now bubbles.

Zhao Tianyu stood there quietly, staring at Zhou Manchun with deep eyes. Suddenly, he smiled, "want to know the answer? Yes, have a good drink with me tonight. I'll tell you. "

Zhou Manchun's eyebrows are locked tightly, and she is afraid of drinking. Because she drinks badly, she blinks her eyes involuntarily and her lips are tightly closed, as if she doesn't want to agree.

The air around him is gradually suppressed. Zhao Tianyu just looks at her

and smiles, but there seems to be a hint in his smile: if you don't agree with me, I'll go.

"OK, but you promised me, just to drink." Zhou Manchun is cruel and agrees to Zhao Tianyu's unreasonable request.
